

ORCA Marine Litter Board Game

Board Game Rules:

1. To play this game, you will need a dice and this game can be played with 2 to 5 players.
2. Print out the board game (Page 2) onto scrap or recycled paper.
3. Print and carefully cut out (make sure to ask an adult to help you) the circle players (see the animals below).
4. All players must start on square 1. To decide who starts, all players must roll the dice. Whoever rolls the highest number goes first. The person to their right then goes next and so on.
5. Take it in turns to roll the dice and move around the board.
6. If you land on a square with any text, read this out to the group and follow the instructions on the space.
7. If you land on a dolphin, you choose a friend to have 2 dice rolls on their next go.
8. If you land on a piece of plastic, you choose a friend to miss their next go.
9. You must roll the correct number to finish. If you roll and do not finish directly on square 50, you must then count back spaces. For example, if you are on square 47 and roll a 5 on the dice, you then land on square 48.
10. Enjoy!

Players:

1 START →	2	3 You tell a friend about harmful marine litter TAKE AN EXTRA GO!	4 You do not take a reusable bag with you to the supermarket MISS 2 TURNS	5 	6	7 	8 You take a waste-free packed lunch to school TAKE AN EXTRA GO	9 	10
