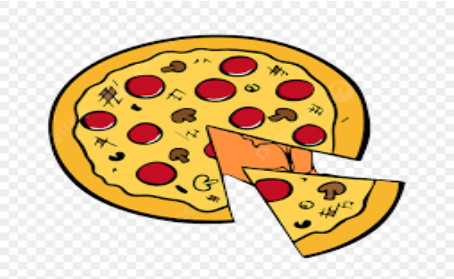
YEAR 3 – Design Technology Knowledge Organiser

Cooking



Hat Making

Look at the function of different hats and their purpose.
Who wears hats?
Why do people wear hats?
Can we design our own hat?
Use different materials and techniques to make our hats
Evaluate our finished product

Designing/Making

Pizza Making

Learn how to use the cookery room safely.

We will look at the history of pizza.

Where does pizza originate from?

Where is that country located?

Can we try different pizzas and evaluate the taste and texture of each.

Which topping do we like the best?

Which bases do we like the best?

Can we design our own pizza?

Make our own pizzas with chosen base and toppings.

Evaluate our pizzas at the end of the unit.

Pugglies

Some example of pugglies.

Can the children design and make their own pugglie?

They're so UGLY they're Cute…..

We will be looking at pugglies and deciding which features we like.

Practising stitches we might want to use.

Learning to sew a button on.

Sewing an "applique".

Designing and making our very own PUGGLIE.

Inventing a name and writing about its characteristics.

Evaluating our work and effort.

Having FUN FUN FUN!!!!!!!
