What you need to know...

Dear Parents/Guardians,

We are all very excited to present the opportunity of a residential trip to Little Canada Wednesday 6th May – Friday 8th May 2026. We have booked a provisional 80 places. This document should outline some of key information needed regarding the trip…

Little Canada

Situated on the Isle of Wight. Set in a beautiful 48-acre woodland site. We get to travel by boat!

Some of the activities available may include… abseiling, aero ball, archery, buggy building, climbing, giant swing, low ropes, orienteering, tunnel trail and zip wire!

Accommodation

We'll be sleeping in these lovely log cabins.

Each cabin has its own en suite toilet/shower.

Rooms will be allocated in groups of 4 and 6.

Site is secure with no off-site access and staff operating a night patrol.

Travel

We'll be travelling on the ferry which is a short journey to the island. Children will be split into small travel groups and have a designated group leader to ensure a smooth journey. They don't need to worry about lugging bags around whilst on the ferry as these will be left on the coach.

Medical Procedures

We'll be following the latest government guidance and procedures put in place by PGL for our trip.

We will discuss all medical requirements prior to the trip and contact PGL to inform them of any additional needs your child may have.

All PGL instructors are qualified in first aid.

Food!

Hot & cold options are available at every mealtime. Meals are balanced to keep energy high! PGL cater for many dietary requirements.

Payment

The total cost of the trip is £300, which includes transport there and back, ferry to and from the island, accommodation, meals and all of the activities whilst at the centre. We have set out an affordable payment plan as follows:

£75 deposit due by Wednesday 15th October – **THIS WILL BE NON-REFUNDABLE**

£75 due by Thursday 27th November

£75 due by Thursday 29th January

£75 due by Thursday 26th February
